E Other details

Please confirm the type of public sewer to be built over/near:

Foul Surface Combined Unknown

Please confirm the size of sewer (if known) 100mm 150mm 225mm 300mm

Depth of any manholes indicated on the site plan: _____ (metres)

Do you need to make a new connection to the public sewer? Yes No

(If yes, a separate application will be necessary which can be downloaded from our website at www.wessexwater.co.uk/developerservices or can be sent to you on request).

F Fees

We have a set charge of £325 for all applications to build over or near to a public sewer. This covers:

- **Administering and evaluating the proposal.**
- **Engineering consultation and/or site inspection if necessary.**
- **Liaison with Building Control or your Private Inspector.**
- **Formal approval.**

If you are building over a public sewer, we will survey the pipe and complete any necessary remedial works before you proceed.

Cheques should be made payable to Wessex Water with the reference number (if known) written on the back.

If you wish to pay by credit card please tick here

Contact name and tel. no: _____

G Checklist and declaration (please ensure that you have included the following):

Drawings Appropriate fees

Has the sewer(s) been accurately located on site Yes No

Has the precise route of the sewer(s) been plotted on the submitted drawings Yes No

PLEASE NOTE

Failure to include any of the above may be deemed as an incomplete application and result in the application being delayed/returned.

By signing this application, you are not automatically granted approval.

No works should start until full payment has been received and formal written approval has been granted.

I confirm to the best of my knowledge the above information to be complete and correct.
